GENERAL RULES

Once a player accumulates 250k in chips. Stack will be removed from play and awarded a \$10k seat and \$100 cash. It is the Player's responsibility to alert a tournament official once the Landmark has been reached. If the number of entries does not reach 10, then the first place winner will be paid the entirety of the prize pool. The Player must not be in a hand to be awarded the prize and will have to finish any hand prior. If the player's chip count is less than the Landmark after the hand the prize will not be awarded. Any prizes not paid to a Landmark will be awarded when the number of players remaining reaches the number of remaining prizes to be paid. All prizes paid in casino chips. This is a re-entry event. If a player is eliminated during registration period that player may re-enter same event.

To enter a tournament, a patron must have a Commerce Casino Player's Reward Card (GEAR-000573). To register for a Player's Card, players must present a valid non-expired, physical ID, such as a Real ID or Driver's License for US residents, a passport for non-US residents, and an ITIN for those from treaty countries. A SSN or equivalent may be required based on the value of winnings. To comply with State and Federal regulations, the casino is obligated to withhold taxes upon the day of payout, and out-of-state residents are subject to tax withholdings on all winnings. Commerce Casino enforces TDA rule.

Winners of a satellite seat will have their chips in play at the start of the event.
